

# Six Inch Boots

Lee & Sandy Paley

(starting with the Right foot):

(woui, eeou, woui, eeou, woui, eeou, woui, eeou)

## Chorus:

Six inch boots in a nine inch puddle,  
You're kind of in a muddle in the middle of the puddle  
With your six inch boots in a nine inch puddle  
Two feet of trouble when you get home.

(woui, eeou, woui, eeou, woui, eeou, woui, eeou)

My mother told me to stay out of the puddle,  
And now I'm in a muddle in the middle of a puddle  
My mother told me to stay out of the puddle,  
I'm gonna be in trouble when I get home.

(woui, eeou, woui, eeou, woui, eeou, woui, eeou)

My mother told me I'd catch pneumonia,  
catch pneumonia, catch pneumonia  
My mother told me I'd catch pneumonia,  
And have to go to bed when I got home...

(woui, eeou, woui, eeou, woui, eeou, woui, eeou)

## Chorus

I told my mother I couldn't get around it,  
I never found it and I couldn't get around it.  
I told my mother I couldn't get around it,  
I told my mother when I got home.

(woui, eeou, woui, eeou, woui, eeou, woui, eeou)

My mother told me I could have gone around it,  
She said I must have found it and I could have gone around it  
My mother was smart and I couldn't get around it,  
She sent me to bed when I got home.

(woui, eeou, woui, eeou, woui, eeou, woui, eeou)

## Chorus
